

PROLAP®

INSECT GUARD™

**Kills Flying and
Crawling Insect Pests**

A S L I S T E D

**Simply Remove from Package
to Begin Controlling Action**

**Long-Lasting,
Round-The-Clock
Protection**

ACTIVE INGREDIENTS:

Dichlorvos, 2, 2-Dichlorovinyl dimethyl phosphate	18.6%
Related Compounds	1.4%

INERT INGREDIENTS:	80.0%
--------------------------	-------

TOTAL	100.0%
-------------	--------

EPA Reg. No. 5481-338-47000

EPA Est. No. 68643-GBR-001

Keep out of reach of children

CAUTION

See Back Panel for Additional Precautions

**Net Wt. 2.8 oz.
(80 g)**

**Solid strip formula kills
MOSQUITOES, FLIES, MOTHS, and SPIDERS**

For Use in Specified Areas within Homes, Ranches, Farms and Cabins, Garages, Attics, Crawl Spaces, Storage Areas and Boat Houses, Museums, Garbage Cans, Trash Dumpsters, Animal Buildings, Milk Rooms, Catch Basins, Bulk Raw Grain, Storage Bins

PRECAUTIONARY STATEMENTS- Hazards to Humans and Domestic Animals

CAUTION: Do not get in mouth. Harmful if swallowed. After prolonged storage, a small amount of liquid may form on strip. Do not get liquid in eyes. Wash hands thoroughly with soap and water after handling strip. Do not use in hospitals or clinic rooms, such as patient rooms, wards, nurseries, operating or emergency areas. Do not use in any rooms or closets of rooms where infants, children and the sick or aged are or will be present for any extended period of confinement. Do not use in kitchens (except cupboards), restaurants or areas where food is prepared or served. Do not use in any area of the home where people will be present for extended periods of time. Not to be taken internally by humans or animals.

If swallowed:	<ul style="list-style-type: none">Call a poison control center or doctor immediately for treatment advice.Have person sip a glass of water if able to swallow.Do not induce vomiting unless told to do so by a poison control center or doctor.Do not give anything by mouth to an unconscious person.
Have the product container or label with you when calling a poison control center or doctor or going for treatment. For information regarding medical emergencies or pesticide incidents, call the National Pesticide Information Center at 1-800-858-7378.	

STOP! READ ENTIRE LABEL BEFORE USE - DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Remove pre-assembled PROZAP INSECT GUARD from sealed bag when ready to use. Hang in desired location away from windows and out of reach of children and pets. Drafts, weather and other conditions may affect the performance, but treatment usually lasts for four (4) months. One 80 g unit will treat 900 to 1200 cu. ft. Record the date of installation and replace with a new, fresh, full-strength strip at the end of four (4) months or when effectiveness diminishes. Do not use in the food/feed processing or food/feed manufacturing or food/feed service establishments. Non-food/feed areas of these establishments where the product can be used are areas such as garbage rooms, lavatories, floor drains (to sewer) entries and vestibules, offices, locker rooms, machine rooms, boiler rooms, utility equipment, garages, mop closets, and product storage (after canning or bottling). The PROZAP INSECT GUARD controls flies, gnats, mosquitoes, moths, silverfish, cockroaches, spiders, beetles, and earwigs and other insects as listed.

HOUSEHOLD, INDUSTRIAL, AND COMMERCIAL USES

DO NOT USE IN AREAS OF A HOME WHERE PEOPLE WILL BE PRESENT FOR AN EXTENDED PERIOD OF TIME (e.g. Living Room, Family Room).

Homes, Ranches, Farms, Cabins, Garages, Storage Units, Attics, Crawlspace, Boathouses: Controls flies, mosquitoes, gnats and other insects as listed.
Garbage Cans, Trash Dumpsters: For control of flies in garbage cans and dumpsters, attach strip inside can or dumpster. Keep lid on can and dumpster closed.
Animal Buildings: Controls flies, mosquitoes and gnats in horse barns, calf parlors, hog parlors, stables, poultry houses, tack rooms and dog kennels. Do not contaminate food, water or foodstuffs. DO NOT contaminate milk or milking equipment.
Milk Rooms: Controls flies, mosquitoes and gnats in milk rooms and bulk storage rooms. DO NOT contaminate milk or milking equipment.
Agricultural Commodities: Bulk storage of raw grains such as: corn, soybeans, cocoa beans and peanuts. For control of stored product insects including Almond Moths, Cocoa Moths, Indian Meal Moths, and Mediterranean Flour Moths infesting non-perishable bulk-stored raw agricultural commodities. Calculate cubic feet of air space above the commodity to determine the number of 80 gram strips required for treatment. Treat in early Spring before moths begin to emerge. Replace strip when needed to prevent egg laying by moths. Hang strips so as not to impede air circulation. When multiple strips are required, distribute them uniformly over the treated space.
Catch Basins: To control mosquitoes breeding in catch basin, suspend one 80-gram strip about ten inches above water level. Usual control lasts 10 to 15 weeks.
Reptile Houses: For control of mites on reptiles. Hang appropriate number of 80 gram strips per 1,000 cu. ft. for the space to be treated. Do not over treat.
Utility Equipment: To control Fire Ants, Wasps and other insects as listed which commonly infest utility enclosures, cabinets, conduits, junctions boxes, enclosed electrical panels and motor control rooms. Remove from sealed bag and hang or stand so air can contact all sides of the strip. Use a size appropriate for the space being treated for utility equipment such as communications equipment, electric, gas, water and cable television.
Attics, Garages, Sheds, Basements and Enclosed Crawl Spaces: Remove from sealed bag and hang or stand, out of reach of children and pets, in an open space of an enclosed area, away from windows.
Closets, Wardrobes, Cupboards and Storage Spaces: Gives continuous protection against moths, silverfish, cockroaches and other insects as listed in closets, wardrobes and storage spaces for up to four (4) months and leaves no smell (odor). Remove strip from sealed bag and hang or stand on wardrobe or closet rail, ensuring that strip does not contact clothes or fabrics and that air can circulate around the strip. Keep the space closed. Do not use more than the number of strips recommended for the space to be treated. Do not use in any rooms or closets of rooms where infants, children and the sick or aged are or will be present for any extended period of confinement. Do not use where unwrapped food is stored or allow the strip to come into contact with food or cooking utensils. Do not allow children or pets to play or sleep in these areas when treatment is in progress.

How much space will one strip treat?

80 gram 900 to 1,200 cu. ft. 8' x 10' x 15' = 1200 cu. ft.

Always use the appropriate size and number of strips for the space being treated. If more than one is required, distribute them over the space equally.

STORAGE AND DISPOSAL

Storage: Do not contaminate water, food or feed by storage or disposal. Do not open or remove from package before ready to install. Store in a cool, dry place. Disposal: If empty: Do not reuse container. Place in trash or offer for recycling if available. If partly filled: Call your solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.

LIMITED WARRANTY AND DISCLAIMER

The manufacturer warrants (a) that this product conforms to the chemical description on the label; (b) that this product is reasonably fit for the purposes set forth in the directions for use, subject to the inherent risks referred to herein, when it is used in accordance with such directions; and (c) that the directions, warnings, and other statements on this label are based upon responsible experts' evaluations of reasonable tests of effectiveness, of toxicity to laboratory animals and to plants and residues on food crops, and upon reports of field experience. Tests have not been made on all varieties of food crops and plants, or in all states or under all conditions.
THERE ARE NO EXPRESS WARRANTIES OTHER THAN THOSE SET FORTH HEREIN. THE MANUFACTURER NEITHER MAKES NOR INTENDS, NOR DOES IT AUTHORIZE ANY AGENT OR REPRESENTATIVE, TO MAKE ANY OTHER WARRANTIES, EXPRESS OR IMPLIED, AND IT EXPRESSLY EXCLUDES AND DISCLAIMS ALL IMPLIED WARRANTIES OF MERCHANTABILITY OF FITNESS FOR A PARTICULAR PURPOSE, OR ANY WARRANTY OF QUALITY OR PERFORMANCE. THIS WARRANTY DOES NOT EXTEND TO, AND THE BUYER SHALL BE SOLELY RESPONSIBLE FOR, ANY AND ALL LOSS OR DAMAGE WHICH RESULTS FROM THE USE OF THIS PRODUCT IN ANY MANNER WHICH IS INCONSISTENT WITH THE LABEL DIRECTIONS, WARNINGS OR CAUTIONS. BUYER'S EXCLUSIVE REMEDY AND MANUFACTURER'S OR SELLER'S EXCLUSIVE LIABILITY FOR ANY AND ALL CLAIMS, LOSSES, DAMAGES, OR INJURIES RESULTING FROM THE USE OF HANDLING OF THIS PRODUCT, WHETHER OR NOT BASED IN CONTRACT, NEGLIGENCE, STRICT LIABILITY IN TORT OR OTHERWISE, SHALL BE LIMITED, AT THE MANUFACTURER'S OPTION, TO REPLACEMENT OF, OR THE REPAYMENT OF THE PURCHASE PRICE FOR, THE QUANTITY OF PRODUCT WITH RESPECT TO WHICH DAMAGES ARE CLAIMED. IN NO EVENT, SHALL MANUFACTURER OR SELLER BE LIABLE FOR SPECIAL, INDIRECT OR CONSEQUENTIAL DAMAGES RESULTING FROM THE USE OF HANDLING OF THIS PRODUCT.
Seller offers this product, and Buyer accepts it, subject to the foregoing Limited Warranty which may be varied only by agreement in writing signed by an authorized representative of Seller.

Proposition 65: Warning: This product contains a chemical known to the State of California to cause cancer.
